RE: INAUGURAL MEET AND GREET WITH DISTRICT COURT JUDGES

On behalf of my colleagues on the Henderson City Council, I would like to congratulate Veterans In Politics International, Inc., Canyon Springs High School and the Leadership and Law Preparatory Academy on hosting the first annual "Meet & Greet Your Clark County District Court Judges" event. This is a wonderful opportunity for students to learn about our judicial system.

We appreciate the commitment of organizations such as the Veterans In Politics International, Inc. to provide opportunities and resources for our future leaders to have new experiences and exposure to all types of professional career fields.

We send our best wishes for a successful inaugural event.

Sincerely,

Andy Hafert, Mayor
City of Henderson
